LEARNING AREA COORDINATOR
MATHEMATICS

Holy Cross College is a Catholic co-educational College located in Ellenbrook. Opening with 69 students in Year 7 and 8 in 2010 the College is growing rapidly. There are currently over 800 students enrolled from Pre-Kindergarten to Year 12.

Learning Area Coordinators at Holy Cross College will be outstanding educators who will provide exemplary leadership of learning in the College community.

While the role of the Learning Area Coordinator will extend across the four Pillars of the College’s LIFE Curriculum, they will play a key role in the Learning Pillar. Learning Area Coordinators will work closely with the Deputy Principal - Learning and the Deputy Principal - Enrichment.

Learning Area Coordinators will lead a team of teachers (Years 7 to 12) and will also liaise with relevant staff in the Junior School to achieve continuity of Learning across the College. The role description for Learning Area Coordinator needs to be read in conjunction with the Role Description for Teachers.

Please refer to the College website for further information on the position and to download the College Application Form which must be submitted together with a covering letter and resume addressed to the Principal.

The College’s Vision and Mission and details of the LIFE Curriculum can be found on the College website.
