

2 April 2020

Dear Parents/Guardians

I would like to thank all of our parents for your support this week as we commenced learning from home with our Learning Continuity Plan. In anticipation that learning from home will continue into the Autumn Term, the College staff will begin planning their lessons for next term. To assist in their planning, parents are requested to complete an online survey by following the link below. Your experiences of the past week will be valuable in shaping the way we deliver lessons and how we communicate next term.

As the move to learning from home goes on for an extended period it is critical that students do not lose interest and momentum so that they continue to be engaged, challenged and progressing.

I apologise for the short timeframe but I ask that you complete the survey by no later than the close of business Friday 3 April 2020.

Your assistance with this matter is sincerely appreciated.

Yours sincerely

Peter Collins
Principal
