

SCHOOL FEES PROCEDURES

Inter-relationships

1. Aim

The Catholic Education Western Australia (CEWA) aims to make a Catholic education available to all Catholic students whose parents seek a Catholic education, while embodying the Church's preferential option for the poor and disadvantaged (Mandate, p 50), insofar as this is possible.

Holy Cross College aims to minimise potential barriers for parents such as fees and other costs (Mandate, p 7), and to keep costs to parents as low as possible (Mandate p, 38). Additionally, Holy Cross College aims to avoid material ambitions that might lead to higher fees and force them into giving counter-witness (Mandate, p. 22).

Holy Cross College will seek to communicate the financial constraints under which the College operates to parents enrolling their children in Catholic schools.

Parents are required to make a commitment to support Holy Cross College financially by paying fees as a necessary contribution to the costs of delivering a Catholic education.

Role of the College:

Holy Cross College is a diocesan accountable school, as such the College Advisory Council supports the College Principal who is responsible for the financial management of the school, including the setting and collecting of school fees in accordance with the policies and guidelines of CEWA.

4. Procedure

- 4.1 School fees are to be announced to the school community before the end of the previous school year. Fees and all discounts, including CECWA's Health Care Card Discount Scheme, shall be clearly advertised and easily accessible to parents. This includes fee brochures, school website and parent newsletters.
- 4.2 Holy Cross College shall comply with a standard schedule of fees to ensure consistency and comparability across all schools in the System. The standard schedule is provided in the *Supporting Guidelines* document that complements this policy.
- 4.3 Holy Cross College shall:
 - communicate this policy to parents;
 - provide details of school fees as well as information relating to the discounts and fee concessions defined in this policy;
 - provide a timeline for the payment of accounts;
 - outline a process for negotiating the method of payment and the provision of concessions, if required;
 - provide information regarding access to the various forms of government assistance; and
 - identify procedures following non-payment, up to and including Judgement;
- 4.4 The College shall update annually the fee policy to reflect:
 - a) any changes to the CECWA *School Fees: Setting and Collection* policy;

 - c) any community socio-economic considerations.
- 4.5 The Principal may, from time to time, request financial information from families to support applications for fee concessions or any other concessions.
- 4.6 Families that are holders of an eligible means-tested family concession card are simply required to provide evidence that their card is valid for the duration of the academic year.
- 4.7 On application for admission, parents and/or guardians will be provided with the College's fee policy.
- 4.8 Acknowledgment of the fee collection procedures shall be on the *Application for Enrolment* form which shall be signed by both parents and/or guardians. In the case of a sole custodial parent or guardian, one signature will suffice.

Fees Prior to Enrolment

Where circumstances beyond the control of parents result in an enrolment deposit not being paid, the principal shall consider waiving it.

Fee Setting

- 4.11 Annual school fees shall be endorsed by the College Advisory Council during the budget process each year. Increases to total school fees shall be in accordance with the maximum increase parameters annually set by the CECWA.
- 4.12 Where the College Advisory Council wishes to exceed the maximum increase in school fees the Council shall obtain the prior written approval of the Executive Director of Catholic Education.

Fee Discounts

- 4.13 Families with limited capacity to pay school fees have an entitlement to claim a fee concession. Requests for fee concessions shall be treated with dignity, fairness, compassion and confidentiality.
- 4.14 The CECWA introduced the Health Care Card Discount Scheme in 2005 to provide an automatic fee concession for the holders of eligible means tested family concession cards. This discount shall be implemented across the year levels of Kindergarten to Year 12. Further details of the Health Care Card Discount Scheme are available in the *Supporting Guidelines* document that complements this policy.

The total discounted school fees for holders of eligible means tested family concession cards are set by CEWA with separate rates for Kindergarten to Year 6 and Year 7 to Year 12.

These school fees are reviewed annually by the CECWA, based on changes to the eligibility income thresholds, and are communicated to schools by the CEWA office during the budget process each year.

Family building levies shall be charged at the corresponding percentage of the Health Care Card school fee.

Kindergarten to Year 6	30% of HCC fee
Year 7 to Year 12	20% of HCC fee

Holy Cross College may add certain specific additional charges for holders of eligible means- tested family concession cards. These may be levied on a user-pays basis and could include charges associated with VET courses, camps, music lessons and other activities where there are direct and additional costs associated with such activities.

Holy Cross College aims to keep these costs to a minimum, within the spirit and intent of this policy, and to assist those families who encounter difficulties in meeting these additional charges.

Discounts for families

- 4.15 Families with siblings enrolled in Kindergarten through to Year 12 at Holy Cross College are entitled to a level of family discount in accordance with the CECWA Executive Directive as indicated below:

2nd child enrolled	20% of that child's tuition fees
3rd child enrolled	40% of that child's tuition fees
4th child enrolled and beyond	100% of that child's tuition fees

- 4.16 Kindergarten fees shall be charged as a proportion of the respective Year 1 fee. The specific proportion shall be equal to the FTE of the Kindergarten program that the school runs.
- 4.17 All students and families are eligible for family discounts, including families who receive automatic tuition fee discounts as holders of eligible means tested family concession cards.
- 4.18 Holy Cross College shall ensure that the usual family discounts are offered for Special Education students whether siblings attend the same Catholic school or a number of Catholic schools.
- 4.19 Consideration may be given to family fee discounts in situations where families have children enrolled in more than one Catholic school.

Fee Collection

- 4.20 Holy Cross College shall develop strategies for fee collection that are consistent with the principles of this policy.
- Fees and their payment should be discussed with parents at the time of enrolment. Relevant information on school fees and the specific school policy shall be made available at that time;
 - Holy Cross College shall facilitate multiple ways and frequencies for parents to pay e.g. debit card, credit card, direct debit or bank transfer; and weekly, monthly, per term or yearly;
 - Fees for the following year shall be communicated to parents in advance of the year-end, and be published on the College website;
 - A full statement of fees payable for the year shall be provided to each parent at the start of the school year and along with periodic statements.
- 4.21 Parents are required to give one full term's written notice in term time if their child will not be attending or returning to the College. Failure to give such notice will result in a charge of one term's fees in lieu of notice. No refunds will be provided where a student leaves at or after the end of Winter Term with no notice. Subject selection forms completed and signed by students and parents for the following year will deem that the student will be returning the following year. A student who leaves part way through a year and has given sufficient notice will be given a discount on the Tuition Fee component only. Where a student enters the College during the year, fees will be charged on a pro-rata basis.
- 4.22 On occasions the College conducts overseas and inter-state tours (e.g. the Camino de Santiago Europe Tour and the Canberra-Sydney Tour). Such tours are optional and students will not be permitted to apply to participate in these tours if family fees are in arrears. This rule will apply regardless of whether someone other than the parent is paying for the tour.
- 4.23 The College shall actively pursue parents who are able but unwilling to pay fees. Every effort shall be made to help parents understand their obligations as a matter of justice to the whole school community. The recovery of unpaid fees, particularly if this involves legal action, shall be approached humanely and sensitively to protect the child as much as possible from the public embarrassment that could arise.
- 4.24 The steps to be taken in relation to the collection of unpaid fees are as follows:
1. A written communication shall be sent to the parents, bringing promptly to their attention the outstanding balance.

2. Should there be no response within 14 days, the College Business Manager shall approach the parents on a personal basis, in a sensitive, discreet and confidential manner.
3. If the personal approach cannot be made, or no action results from it within another 14 days, a formal registered letter from the school Principal shall be sent to remind parents of their financial obligations. This letter shall include an invitation to discuss the matter with the College and a specified timeframe for a response.
4. Should there be no response or action within 14 days of the letter, the school Principal shall send a formal registered letter with a final notice, seeking payment and outlining the possible outcomes, including legal action, which could occur if payment is not received within the specified timeframe.
5. If, despite this last letter, there is no response or action the College Advisory Council may approve to engage the services of a debt collection agency or a solicitor to recover outstanding fees and any additional costs.
6. In the event that debt collection agent is not successful in contacting the parents or in establishing a debt repayment plan, the College Advisory Council may consider initiating court proceedings. Before this is done, the Principal shall inform in writing the Executive Director of Catholic.
7. Before any enforcement proceedings are taken, such as a Property Seizure and Sale Order, Earnings Appropriation Order, or any other enforcement action, including the launching of a caveat on a property, the College Advisory Council shall obtain written approval from the Executive Director of Catholic Education.
8. The College shall keep comprehensive documentation of each attempt to resolve the problems of outstanding fees.
9. Under no circumstances will a child enrolled at Holy Cross College be refused on-going enrolment because their parents have not paid fees.
