# Discover Holy Cross College

---

Holy Cross College has been a cornerstone of quality Catholic education since 2010. Starting from humble beginnings, Holy Cross College has grown to become a thriving community with a double stream Primary School and six stream Secondary School on one campus in the heart of Ellenbrook.

Grounded in our faith and inspired by our connected and caring community, we strive to build promising futures for families and shape compassionate, confident and capable individuals prepared to make a positive impact on the world.

Our vision is for Holy Cross College to be a community of transformation in the spirit of the Risen Christ inspired by our College Patron, St Oscar Romero. Our mission is to empower students to have life to the full, inspired by Christ's journey of transformation and redemption.

At Holy Cross College, our holistic approach is guided by our LIFE pillars:

**Learning:** Our focus is on developing core learning skills to ensure our students are equipped to face the challenges of a rapidly changing world.

**Inter-relationships:** Nurturing a caring, compassionate and connected environment - not only among our students, but also our wider community.

**Faith:** Celebrating a hope-filled Christian faith, grounded in reflection that leads to justice and service. Our faith-based approach to education encourages students to explore and deepen their spirituality, helping them to develop a strong sense of social justice and service.

**Enrichment:** Enriching the lives of our community members through engagement in holistic opportunities that exist beyond the classroom.
